“ *Ah my beautiful mother....your eyes say it all!!! I am so honored that I got to share this life's journey with you as a daughter! Your laughter, passion, gentleness AND steely determination are all things I challenge myself to carry on! You are so deeply missed!! I am so used to having you around....now I am expanding my experience to still feel your prescence and love....I miss you. I love you.*

I always remember that you paid such attention to details about people....remember that time Angel and I caught you making toys for your grandson?...That spirit of always enjoying what there is to enjoy will be carred on.

I love you....Eunice Ursula Gill Young
