“ Sympathies to family and friends of Mr.President. Death is a great thief that robs us of our precious relationships. It is unnatural and unwelcome. It was not a part of the Creator's original plan. However, he will do away with death. The Bible promises this at Revelation 21:3,4. And there is to be a resurrection of the dead. The resurrection of Christ is a guarantee of that. God takes no delight in the death of humans and he will reverse that eventuality. Again, my sympathies.##imported-begin##Lena Bey##imported-end##
