“ *My condolences to the family of Dr. Adams. He was my Junior HS Asst. Principal at Langley and affectionately known to us "Mr. Adams". My fondest memory of him was his cheery encouragement for us to "Go get some Sunshine" as he put it, as he tried to get us to leave the lunch table and go outside for recess. He was a wonderful man, well loved and admired! Thank you for sharing him with us!*

“ My Uncle Leroy made a huge impact on my life and I am forever
grateful. I always had a smart mouth and when I was younger he
made sure to redirect me when I spoke disrespectful to my mother.
In 1997, while my Uncle Leroy was the Registrar and a Professor at
Norfolk State University, I became a student there. I worked in
Registrar's office and he supported throughout school. When I
graduated in 2001, my Uncle was present at my graduation and
cheered me on. In 2009, I got my masters degree in Business
Administration and I know it made him proud. Because I have
always looked up to my Uncle Leroy, in the recent years I have
considered getting my doctorate degree just like him. Now, I am
strongly considering going back to school so I can walk in his
footsteps and make him proud once again. My uncle was always
wise with his money, he was one of the main reasons why I am so
into investing my money. Uncle Leroy you will FOREVER live in my
heart. Your niece, Bobbie.
