“ I just have to say how much Lesley is in my heart - every day ... "You get what you get. And, you got what you got." I got a dear friend, a trusted counselor, a neighbor and a wise mentor for more than 20 years. Her laughter-delightful! That twinkle in her eye the precursor of a very special "bon mot." Her interest in my well-being - heart warming. Her friendship and love - priceless. Peace be with you, dear Lesley. I am ever grateful that you are a bright star in my universe. - Melanie L. Marshall

“*“Books are our friends!”*, she exclaimed with an excitement that stays in my mind anytime I think about the old books that I still keep. The knowledge and wisdom in books is timeless and to be appreciated. Thank you for teaching me that Ms Oliver! Rest in heaven.
