“ *My condolences to the family of Ms Lillian Davis. I was very saddened to hear about the passing of Ms Davis. She was a consummate professional and true friend. When I first came to OTR she took me under her wing and taught me the ropes. There was not a day that went by that we didn't talk about food and what the chef (me) cooked for dinner the night before. She will sorely be missed. May you have eternal rest and peace my dear friend. You are now with the heavenly angels! God bells you!*

“ I'll miss our conversations about our kids and the old Finance and Revenue. Every time I saw Ms. Davis before lunch she would say "I know you got some chicken...LOL." I'll miss you Ms. Davis but I won't forget you. Almost everyone knows that Ms. Davis, for some reason, call me Tanzer instead of Tanza. It's a running joke in the office that several people call me Tanzer now.
