“ *To my adopted Mother,
I will miss you dearly from our rides to church on Sunday's, from not calling you until 2:00 PM week days when your favorite soaps are on tv, especially when the Redskins are playing. When I go into the church and look at the last pew on the right I will always remember that was where you were always with your smile. I know that you are at a better resting place now. I will always remember your smiling face.*

*Your in Christ,

“ *If I only knew that on Saturday, April 28th was going to be my last time seeing you I wouldn't left your side. I wish you could have stayed here forever and I know that is selfish of me. My heart is truly broken but I know you are in a better place. I will always love you and miss you too. I will look out for Ricky for you and continue getting on his nervous for you. (smile) Love your daughter-in-christ Sheila P.S. Sunday will be Mother's Day and church won't be the same bring your chocolate covered strawberries like I did in the past years but memories still live on in my heart.*
