“ To Ms. Lillie: Who would have thought, that when we met, approximately 7 years ago...That you would play such important part in my life, that only you and i will know....When i would come to your house to help when needed, you would try to give me pay....And you and Mr. Victor would laugh when i'd say No, cause i don't roll that way....It was all about love, somehow we clicked, and i'll remember the times we shared.....It's hard to see you go, but Mr. Victor is waiting, and you know how much i cared....Some say you're in a better place, but of that i cannot see....'Cause in my selfishness when it comes to you, a better place is here with me.....I truly love you, but i have to let go, it's so hard to say goodbye.....But goodbye Ms. Lillie, and when you get to heaven, Please tell Mr. Victor i said Hi.
