“ Dear Mrs.Savora Matzo
Loss of Mother Pome:
When I am gone
Remember me with smiles & laughter.
and if you need to cry.Cry with family & friends who walk in grief
beside you. and when you need me, put your arms around anyone
and give to them what you need to give me. There are so many who
need so much. I want to leave you something... Something much
better than words or sounds look for me in the people I,ve known.
Or helped me in some special way.Let me live in your heart, as well
as in your mind.You can love me most by letting your love reach out
to our loved onces and friends by embracing them and living in their
love. As I pass by and through,know that I,m watching over,guiding,
protecting and loving you. So when all that,s left is love, give me
away as best as you can through love.....
May god grant spiritual peace, comfort and blessed
memories.....##imported-begin##Paula J.MCMillian##imported-
