“ *In your grief and loss, please know that you are always remembered. We are praying for you and honoring the memory of Lisa in our thoughts.*

It's the little things, the small, everyday occurrences that you'll remember. The laughs, the stories, the smiles. And even though it seems like you can never recover from your loss, it is these very memories that will help push the pain away and bring back the smiles.

May the love of the people around you help you through your pain. You can count on us for anything you need.
