“ A special message to parents of Lloyd W.Brown: I know your pain. There is none other like it. Our Creator too, understands the pain and has purposed to do away with it. He has made such a promise at Revelation 21:3,4 where it says "and death will be no more". He also promises a resurrection at Acts 24:15. And his original purpose for earth to be a paradise will be fulfilled. I hope those thoughts are encouraging for you. My deepest sympathies.##imported-begin##Lena Bey##imported-end##

“ Debra, Eugene and Family,

*Words alone are inadequate. We know that in this life sorrow and grief are a must, therefore we are praying for you and your family. We are praying that God will comfort your hearts and ease your grief.*

*As sorrow fills your heart, our heart goes out to you, And though our words cannot begin to ease the loss you feel, we only hope it helps somehow, to know how much we care.*

*Continue to trust in the Lord with all your heart and lean not unto your own understanding. Acknowledge Him in all your ways and He shall direct your paths. Draw nearer to each other and to God and He will draw nearer to each of you.##imported-begin##Joann & Terry Dingle##imported-end##*
