“ Marcia, please accept this email and hear the words I don't know how to formulate to express my condolences for the lost of your mom. Since both of my parents are alive, I cannot know the feeling that you could be experiencing. Just know, no matter how long in between time before we talk, that I love you like a sister. When I tell people who my best friend is, your name comes first. Take care, and we will talk soon. Love Marjorie###imported-begin###Marjorie Richardson###imported-end###
