“ *Dear George and family,*

My sincere condolences to you, your brothers and sisters and your family for the loss of a loved one. I never met your father, spoke to him on the phone once to introduce myself and arranged to meet him. Something came up, the meeting never happened. But I felt like I have known him through you. May his soul rest in peace.

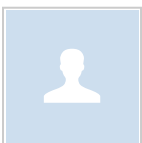

May your family find comfort during these sad and difficult times. God Bless You All.##imported-begin##Patria G. Balod##imported-end##

“ *Officer Anderson was responsible for protecting the little boy caring grocery at the Safeway Food Store in the Shaw Area during the 60's and early 70's. I was one of those little boys, now I am 56 years old. I still have the upmost respect for him. He protected us from ourselves no stealing or fighting and from the Bullies. He had a major affect on my life. Thanks Officer Anderson.##imported-begin##Tony Pulliam##imported-end##*

“ *As I woke up to find this it goes to show us, that no man knows his day, nor hour of his home coming. I/we will try and share in your hours of surro. But we know only you know how you feel, and when it's time to try and move on. Things will be different but life, and love goes on. Remember those time you shared with him, as we remember the times we have shared with you all. Thanks for those times, and good, no great memories. Hope to see you all again.##imported-begin##Bob n Barb Ovletrea##imported-end##*
