“ I had the honor and pleasure to meet Mrs.Lewis almost 25 years ago. Our initial relationship was as patient and doctor. That evolved over the years to Mrs.Lewis and her husband being part of our extended family.

Mrs.Lewis taught me how people with cancer live with dignity and grace. Her faith gave her courage and strength. I know she is at peace and will continue to watch over her husband and family, whom she dearly loved.

Mr.Lewis thank you for sharing her with us.##imported-begin##JoAnn Manning##imported-end##
