“ *My beautiful Grandma Lyn. I'm deeply saddened and devastated that you're gone, but I'm relieved that you are no longer in pain. I find myself crying and smiling thinking about funny stories you've told me, and the thought of not being able to hear your sweet voice again. I'm going to miss hearing you say "Yes Darling, I love you Darling" whenever we speak. You were such a strong, feisty, and loving woman and you brought so much joy into our lives. I know that you're looking down on us, with your handsome husband by your side. I pray that the Lord is still taking care of you and that you continue to watch over us as you did when you were here. You've filled my heart with so much happiness and love. I miss you so much, and my love for you is unconditional. I love you Grandma, always and forever.*

“ *Aunt Louise made me feel loved and she accepted me with her sweet warm disposition. She Often spoke of the past. Filling me in on family history I knew nothing of. My love for her was instant. I will miss the phone calls up until her fall she would greet me with hello Daaling. And end it with I love you Daaling. I wished I had her in my life longer but am so grateful I was able to have her. I love you Daaling rest in paradise. Your niece Terry.*
