*My condolences to the family and friends. I am one of the folks that worked with Lowell at the Civil Service Commission and attended this farewell party when he announced he was entering the priesthood. It was amazing that he would leave a successful career to become a priest but as always God knows best. Rest well Lowell.*

*Lowell and I go back to school days and the Douglass High School Class of 1959. We all loved him, his intellect and his humor. We stayed in touch with him and even visited his churches. We last celebrated our 60th HS reunion in 2019 and he was right there. Everybody looked forward to his presence at all of our events. We will miss him.*

*I just watched an old movie featuring an actress who had been Lowell's favorite, and wondered how he was after so many years... and found his obituary. He and my late husband had been friends and colleagues during Lowell's time with the Civil Service Commission, and he always joined us for dinner when in town. I still remember how much fun those evenings were. To his family and friends, I am so sorry for the loss of your wonderful brother. May his memory be a blessing.*
