“ *As an alumnus of Laurinburg Institute I anxiously looked forward to our annual reunion which allowed me to enjoy the company of Nana. She always exhibited a joyous yet calming aura I was compelled to immediately love her. I will sincerely miss you Nana*

“ *I share my love and support to the Stewart/Skinner family in the passing of Nana. I will cherish the chats and smiles I had with her. As the matriarch of the family she welcomed me into her family as if I were her own granddaughter. I will remember her love, her hugs and her caring words. Our dear sweet Nana. Thank you for showing us how life can be lived and how death is nothing to be afraid of when you know where you are going and you are gangsta enough to leave this Earth on your own terms.*

I pray God comfort the Stewart family at this time and may his peace encompass you for the days ahead.

“ Nana was my "other mother" for over 50 years. Her tenderness and love filled the void I felt when my mother passed. I will miss our talks and the memories we shared at family gatherings. Her family was my family. She was a lady with class and her wisdom was shared with her many adopted children. She was "Mama Stewart" to her Laurinburg Institute family and everyone loved her.

Now our angel has earned her wings and has gone home to be with the Lord. But in those sad moments when I think of her , I know that "to be absent from the body is to be present with the Lord" and that will put a smile on my face.

So rest in love and peace, Nana. I will miss you.

Your adopted daughter,
Beverly
