“ My prayers and condolences to the family of Sister Dudley. I knew Ms. Dudley as a child attending Enon Baptist Church. She is such a loving and caring women and would always greet me with a smile and a hug. Even after I moved my membership from Enon and would occasionally come back to visit she greeted me with that same smile and hug. She will forever be missed.

“ *Heaven has added an Angel*

There is no one in this world like you Ma Dudley. You were a woman of God, friend and someone who was always a pleasure to have around. I always admired your caring and selfless nature. Your kindness was contagious. You were always lending a hand to others and reaching out to those in need. I will always remember the special times we all spent together. You were like a mother to me rather than a mother-in-law and your memory will live on forever. Thank you for your constant prayers and words of wisdom. May your memories provide comfort and serve as guidance to your grandchildren (Ashley, DeWayne and Angel).

We love you and you will truly be missed. Until we meet again. R.I.P

My deepest condolences to the family during this time.

To the family of aunt Lucy, our hearts are broken, Oh my God, we are so sad for the family. We have lost someone special, words can't express our heartfelt sympathy, hearing that aunt Lucy had passed away. She was such a beautiful soul, with a great spirit. We will always have great memories of her when we would come to Washington, to pick her up to travel to Virginia, to see our aunt Addie. We would we have so much fun, with her. especially when we would go out to eat, and shopping. Aunt Lucy we love you so much, and will miss you for years to come. It was such a blessing to have known you all these years, and be a part of your family. We Love you, and may God continue to bless your family. Love. Rosa and Moody (New Haven, Connecticut).

“ *My pretty lil grandma will be so ever missed. I know we are born to die but I never expected this. You will always be in my heart. even though your physical presence is not here for me to touch and smell, your spirit remains alive. I thank God that he kept you here on earth to see that Tyquela got her heart transplant. I will always remember the fun times, my morning wake up calls for prayer, us eating Chinese food and your beautiful smile. Until we meet again, my guardian angel. RIP Grandma.... O and grandma. I finished what we started. You have a total of 41 grandkids, 67 Great grands and 35 great great grandkids. What a legacy...Love you, your first granddaughter.*

“*Sister Lucy Dudley, Senior Friend and Mother Figure was an inspirational Virtuous woman in my life; she and I meet one Sunday at Enon. She loved to travel or take rides; a church member and I were going to visit Sister Elam in a Nursing Facilities; mother Dudley heard and you know what happened next; she was included in the ride, from that Sunday until her eternal death we had the best spiritual senior friend/mother figure Christian relationship. I loved being in the atmosphere of my friend, the woman that demonstrated Galatians 5:22-23, the Fruit of the Spirit. She had an abundance of wisdom that only God could have given her. She had a zeal to know more in detail about learning God’s Word, so she became a faithful and dedicated Sunday School attendee; she was very wise, knowledgeable, smart, intelligent, having a sharp mind; at times she would cut you with the Word like a two-edge sword. As Minister Chanel prayed, Sister Dudley wanted all her sons, daughter, grands and family members to receive the gift of Salvation by accepting Jesus Christ as their personal Lord and Savior, Romans 10:9-10. She had a compassionated heart for all; a woman of beauty in character and attire. Her spirit is now resting in the heavenly place Jesus has prepared for her soul, John 14:2, so let not your hearts be trouble or worrisome. She had a very strong desire educating herself reading the Bible, daily devotions, writing letters, and she picked the BEST heart touched cards, any occasion! She had an extraordinary sense of humor; she put KNOTS-IN-MY-STOMACH from laughing; time will not allow me to tell her human side of stories or comments. May God comfort the family with Peace, Love and Unity in your periods of bereavement. May you find strength knowing God loves you; He will never leave you nor forsake you, stay in touch with Him/God!*
