“ *Aunt Lula always found a way to make me laugh. Sometimes she called me "Z" and I loved that she didn't hesitate to offer a hug. She encouraged me to be courageous as I had doubts because of my size. She did not play when it came to Pathfinders. She was lovingly strict about us upholding our creed and commitment to serve as Pathfinders. She showed kindness and understanding. She has a beautiful smile and her laugh just infectious. I enjoyed our Sabbath dinners and talks. She is an amazing Godly person and I saw first hand her love for Uncle Fred, Iris, and Jason. She will always be in our hearts. ❤️. Love, Zakia*

“ I remember my Auntie always reading her Bible early in the morning. I am copying her eating garbanzo beans and other healthy foods. She was a great teacher about life, science and had an excellent memory. ALSO she a great story teller and had an infectious laugh. I liked how she always made people feel welcome in church and giving bible studies. I remember her as a good godmother who was so funny and her photos with the hand in the air. I will miss her but will see her again in the Kingdom above. Cherie niece of the Lula Mae.
