“ *Sad because Aunt Lula is not physically here to share her wisdom but happy because she is now enjoying a life in the presence of God. While a piece of us has gone with her, we will always remember the joy of knowing her. Strenght to her devoted daughter, Billye Jean; courage to "live on" and peace to sustain her. We weep during the night but joy comes in the morning because we know that we will see her again when it is our time to cross the river Jordan.*
