“ *Hi, I had the pleasure of working with Mable in the Department of Health & Human Services. I am glad I got to know her, a kind, quite, gentle, and very good company to be around. She will be truly missed but most importantly, she got a chance to see James come into his own as a young man. Continue to rest my sister in your heavenly mansion.*

“ *Aunt Mabel was a wonderful mother, aunt and friend. She will be dearly missed. I love the fact that she was such a fighter. But she never let on that the battle was being waged. We will miss her cheer and her kindness. The world needs much more of that, not less. Our prayers go out to Uncle Buddy and Cousin James and his family.*
