“ *Dear evelyn,billy and tanya  
I have been looking for maggie for 14  
Years. I send you all the condolences and share with you in the pain  
of losing your dear mother. Maggie always told me that she had two  
sons. One african american and one white. Maggie was my mother  
in as many ways as my mom. I still hear her voice giving me advice  
or her smile when i kissed her goodbye at school. She was and is a  
part of me and i share a special kinship with you. Please call me at
