“ *I met Ms. Gantt through her daughter Cynthia while working on DC summer program. She was such a classy woman. I would come over spend time She would be busy getting ready for one of her cruise excursions. She would say "child I got to look good on my trip smiling"; while Cynthia was rolling her hair Anytime I see her she had a smile for me. She will be missed.*

“ My dear Aunt-Mommy, the love you showered over me since the death of my mom, I'm certain was inspired by God. Gone from my presence but forever in my heart. You taught me so much; how to be a lady and how to enjoy life to its fullest. I believe that you ran into the Arms of Jesus when He called your name because your work here was done. Cynthia and Roz, I love you both and pray that God will strengthen you as we all mourn our loss and celebrate her life and journey into heaven. Angie
