“ My dear Ms. Powe, always welcoming everyone (especially me) with a beautiful smile. You were my inspiration, you kept going, exercising every day, never complaining, never giving up even when arthritis became a serious factor. I looked forward to having lunch with you every day - just being in your presence made me happy. You were a wonderful example of strength, encouragement, faith and joy. Sleep well my beautiful friend. I love you and will miss you.

“ *God’s gift of time  
We all need a time to grieve quiet time for reflections  
To sift through memories and come to grips with what has  
happened.  
We all need time for tears not for one who is now at peace in  
heaven  
But for ourselves as we realize that things will never be the same.  
We all need time to just “be” when we open ourselves to God  
And let the reassurance of His everlasting love start to heal our  
broken hearts.  
Praying for you and wishing you peace,  
Deepest Sympathy & prayers,
