“ *Nod and Patty,  
I'm so sorry for the lost of your precious angel. As you'll are Gods children you are aware of the beautiful peaceful life that he has entered and will no longer suffer.*

*I feel so strong that God was waiting for his arrival. "God doesn't make any mistakes, God calls on his angels early in life".*

*Remember the beautiful times that you'll shared with him. There is another life we all will enter after death, so being tomorrow or eighty years you will have eternity with your son.*

*May God Bless you and your family.*
