“ *I will always love my mother. She was more than a mother to me, she was my friend. There is a void in my life due to her death. No one knows the love that I have for her nor the love she had for her two children. I have to get the strength to live without her and I know that God will provide. Be at peace mother and know that you will be deeply missed.##imported-begin##Melanie Jackson##imported-end##*
