“ Auntie, you have always been a beautiful person, and very special to me. You took me shopping, to church, and many other places. You were always happy, and made everyone around you happy to. We clowned, laughed and had lots of fun and good times. You lived a good live. You traveled the world and met all kinds of nice people, and did everything you wanted to do. I learned a lot from you, and will always remember your words that you said to me and my daughter, "Always Be Good to Yourself". We thank God for sharing you with us for 94 years. I will miss you so much. Love Doll##imported-begin##Darlene Walton##imported-end##
