“ *Dear Jeanetta,*

It is with sincere sympathy that I write this note to you. There are no words that can express the sorrow that I feel for you and your family, for when you lose a mother, or grandmother you lose someone whom no one can ever replace. I am sorry that I cannot be with you today, but please know that you and your family are in my thoughts and prayers at this difficult time, and I will remain always prayerful for you. Cherish your memories for they will never fade away.

“ Jeanetta & Linda:

My prayers are for you to be comfort at this time of the year when you know that your love one will not be here to celebrate the Christmas season with you, but Jesus assured us that . . . where I am there my Servant will be also ... John 12:23. There is no words right now that I can say to comfort you but always hold on to God's hand - stay close to HIM that gives life, grace, mercy and an abundance in love. In Hebrews 13:5b " I will never leave you nor forstake you" - He's always there - go to him when you are alone and you need to talk - He listens! Remember life is just a journey and we are strangers passing thru; our home is in heaven and some day we all we get there it was just Marietta's time to take the road home.

Be strong and continue to follow Christ as we all head home.

Love you and my prayers will continue going up on your behalf to the one who is able to do exceedingly abundantly above all that we ask or think, according to the power that works in us . . .Eph 3:20

Stay strong and be encouraged in God's Word!##imported-begin##Shelia Butler & Sons##imported-end##
