“ *One thing we can be certain of is the existence of an Almighty God who promises us comfort during what could be our worst times. His promise is recorded in the Holy Bible - Isaiah 25:8 where He assures us that death will be permanently removed from our lives.##imported-begin##C. Lewis##imported-end##*

“ *Mark was special to me, respectful and very kind at heart. Always telling me about how he loved and enjoyed his kids, always kept me informed of them. He was also a friend of my son. “ I was blessed to see you two days before our father called you home. You gave me a kiss on the forehead and said "GOODBYE, I love you". It's almost like you knew it was your time. You were always like a brother to me. You always made sure Gary, the kids, and I were okay, and I appreciated you for that. No one knows why you had to go so soon but, that's not up to us to wonder. It was in GOD's hands, and you are definately in a better place where you don't have to worry about anything. You will trully be missed. I want to send my condolences out to your whole family, and I want them to know that God is going to get you through this if you trust him.

With Love,

Kristy & Gary##imported-begin##Kristy##imported-end##

“ Dearest Juanita, John John and Tracey--

*I guess you all are wondering Why now, Lord, why? It is not for us to understand why.*

*I have no idea how you are feeling at this time since I have not lost a child, and can find no new comforting words that will compensate for this great lost. What I can say, family, is to be not dismayed, the Lord will make a way for you.*

*I extend my sincerest and deepest condolences for your lost and will keep you in my prayers, as you have always remained in my heart. It will take time for your heart to mend as you endure the healing journey, but believe me, it will. Just keep your faith in the Almighty for He said I'll never leave you nor forsake you. Always remember He is a just God and showers his children with unconditional love.*

*If you believe it, you'll receive it, your blessing is on its way.##imported-begin##Helen L. Alston##imported-end##*
