“ *Hey Markeyshia 💜 I know it's been a minute but how are you up there ? Have you met Ava yet ? You have somebody to play with now . I love you and miss you so much . It's been 11 long years and everybody misses you here but we know you are in a better place so we are content with that . Your brothers are fine and your mommy is too . See you later and make sure you give Ava the hugs that I can't give her right now and look after her till I come up there and take care of both of you 💜*
