“ It had been many years since I had seen you. However, you were never forgotten. You were my first and only Father-In-Law. I can honestly say, it was always a pleasure to have been apart of your family. You excepted me the day I met you and that has always lingered in my heart. I held the greatest amount of love and respect for you. You always and I mean always treated me like family when I was a Williford and because of your warm heart and great laughter, I will embrace the memory of you for ever in a day. Mrs. Esther I have respect for you as well, because you have always been there for him and you took great care of him. My heart is with you and the family.##imported-begin##Theresa##imported-end##
