“ *Ms. Irene,*

Just wanted to let you know that you and your family are in my thoughts and prayers as you go through this difficult time. You are such a joy to work with on the SCSEP grants and if your mom is anything like you, she must have been a wonderful person. Take care and God bless you. “ *I'm so sorry for your loss and would like to offer my condolences to your family. Death is such a terrible thing for a family to go through, I actually lost my mom 3yrs ago. I'm truly grateful that I have the truth about death and look forward to the future when there will be "a resurrection of both the righteous and the unrighteous."—ACTS 24:15. I'm sure you would love to see your loved one again in the coming Paradise here on earth! Again so sorry for your loss!!*

“ This is really a sad occasion for me because this was my last living aunt and my favorite. My father's last sister. We came from Va. to visit every summer. We had some really good times. She will be missed, but I know she's in a better place and I'll see her again.
