“ *Dear Family of Mrs Falls,
I was a friend and appreciative parent of students at Lafayette years ago where I led a filmmaking project for her class a couple of times. Mrs Fall was always interested in her students and looked for ways to expand their interests so she encouraged parents to volunteer for projects. I was very happy to work with her and always regarded her as a kind, fun, dedicated teacher and friend to the school, her students, and their parents. I was very sorry to hear of her passing and want you to know that my prayers and thoughts are with you.##imported-begin##Molly Ruppert##imported-end##*

“ *To Veneta and Family,*

I have known Jo since secondary school; we graduated in the same class from Roosevelt High School. I have always thought very highly of Jo. She was a kind, loving and sincere person, who made me feel her friendship and warmth. The last time I spoke with Jo was August 2006, at which time we reminisced about the old days when both our husbands were good friends and we often got together socially in both our homes. We were looking forward to getting together soon, but unfortunately we did not get the opportunity. Please accept my sincere condolences and know that my prayers are with you and your entire family. God Bless!##imported-begin##Liz White##imported-end##
