“ Ma, as your birthday approaches all I can do is wish you was here to buy you gifts. Soon after that Mother’s Day approaches which is even harder for me. Ma I love and miss you more than I could ever say. You would think it would get a little easier after 17yrs of missing you. I just want you to know I’m still missing you so much and will love you forever. I truly believe you are absent from here and present with the lord. Ma I will continue to think of you and will always keep your memories alive. Missing and Love you always and forever. Until I see you again rest in peace ma. I Love you always.💕🙏
Your son Antwon.

Ma I want you to know I never stop talking just because I know your somewhere listening. Well in a few days it will be your birthday so I wanted to say Happy Birthday ma. God only knows how much I miss you. Ma I love you forever and please don't stop praying for me. I know how you love to pray. Ma I do too! Hugs and kisses your youngest son Antwon. RIP Ma.

“ My condolences to the family of Mary Carr. Death is such an unpleasant event. It interrupts lives and relationships. And it is a force to be reckoned with by each of us. It was never a part of the Creator's original purpose. It happens because of the sin of Adam and Eve. However, the Creator will, in the future, do away with death. That promise is in the Bible at Revelation 21:3,4. There is also promised a resurrection at Acts 5:28,29. Even sickness will be no more Isaiah 33:24 Isn't that an encouraging thought? Again, my sympathies.##imported-begin##Lena Bey##imported-end##
