“ *Ms. Shaw that's what she was known to me. Every morning ,I take my daughter to school on 16th street, your mother was always there with a smile on her face and always talk to me about when her kids was coming along as kids. you'll had a nice mother, person, and friend. I had just ask one of the other crossing guards about her and she told me. I'm very sorry to hear that she gone, but never forgetting.*

*sincerely,
