“ I would like to say to the family that Ms. Davis will surely be missed. She was a warm, sweet, and patient person. I have had many conversations with Ms. Mary on many occasions when she would be dealing with somethings with her kids. I have never witnessed or experienced where it wasn't a problem she could not handle. I will miss her kindness, warmness and her warming personality. I will miss you.

“ *Mary, it's hard to believe your gone. I always thought we'd retire around the same time. You and I worked together since 2008 ... I will always remember your kindness and your calmness. I remember our lunches and walks. I will never forget you. Go in peace.*

I send your family my sympathy. There is nothing that can replace a beloved sister or mother. May beautiful memories of Mary's kindness bring you comfort. Our bodies may die, but our love never dies. Love is stronger than death. Mary's legacy of kindness and love will live forever.

“ *Very sad news. Years ago, I shared an office with Mary at FAS when we worked together in the same division. She was one of the most friendly, always smiling colleagues I ever had the pleasure of working with. Even during stressful times, she would remain calm and positive. Since retiring several years ago, I often think of FAS colleagues I miss and would work with again. Mary was one of them. My prayers and thoughts are with her family and friends.*
