“ *Dearest Madear,*

You leave behind a legacy of gentle kindness, faith, and love to all those who made your acquaintance and those blessed to know you. You were the Matriarch, Mother, Grandmother, Helper, Doctor, and Friend ? you meant so much to so very many. You gave of yourself and loved "unconditionally" and "in spite of". Your gentle spirit will be in our hearts forever. I will always remember.##imported-begin##Patrick A. Braswell ##imported-end##

“ *Madear,
You were more to me than a cousin. You and Jackie was and is a big part of my life. Because of the closeness our family shared since PaPa/Granny and Cousin Anderson/cousin Eula, Jackie and I grew up like sisters. The two of us shared everything. You will always be another mother to me.
I love you.

“ *A great person is thoughtful, caring and loving. MADEAR, was all of these and more. It was indeed a blessing to know MADEAR and listen to her gentle statements of love and concern about others. During our conversations,MADEAR would always provide me with some words of wisdom. She was always a wonderful lady with a gentle spirit. I will miss her, but her gentle spirit and words of wisdom will continue to live with me.
