“ *I would like to share my condolences with the other members of my family in the homecoming services for aunt lizzie. I fondly remember aunt lizzie on her trip down home to virginia because of the care and concern shown by her to those that she loved. I have not seen her in many years. However, I enjoyed our conversations on the phone during her stay in the nursing home until her health began to fade and it was difficult for her to maintain a conversation. I know she is in a better place now and will sadly be missed by all whose life she impacted during her life.*

*Loved and missed,*

*Your great-nephew*
