“ *Mary was a very special person. She loved being around family. Whenever there was a family get together Mary would be there. She would always fix a special dish for us to try out. Her smile was so beautiful that when you saw her you had to smile as well. I am going to miss my cousin. Our telephone calls would last at least one hour laughing and asking each other how our family members were doing. Mary we all know you are going to Heaven and there you will get together with all the family we have there. All of our parents, some of our siblings, all of our aunts and uncles. Please tell everyone hello.*

*Love and miss you,
Wanda Brown (Tonnette)*

“ I've spent several days thinking about what exactly I wanted to say and I still can't find the words. Aunt Mary was not only my Aunt but my God Mother. We had a unique relationship that got stronger as I got older. I never got a chance to explain to Aunt Mary just how incredible I thought she was. I could not be in her presence without her making me laugh in some way. Aunt Mary was a power house. When she walked in a room, everyone knew that Aunt Mary had arrived. She knew who she was and she was never afraid to tell you. LOL

Aunt Mary was a fierce warrior for Christ. If you didn't know the Lord before you met her, you knew about Him once you left her presence.

I was very proud to be her Niece and her God Daughter. I'm going to miss her so much.

Rest in peace Aunt Mary. I love you so very much. Please kiss Grandma, Uncle John and Uncle James for me. Until we meet again.

“ I was Mary's supervisor during her last years at the FCC and she was like a mother to me. She always made sure I was ok and I did the same for her. Mary was always ready to speak up in our meetings when things didn't make sense and wasn't afraid of what people might think after, man do I miss those meetings with her lol. Another thing about Ms. Mary is that she knew GOD and wasn't afraid to let you know. My thoughts and prayers go out to her family. The joy that Mary brought to all of our lives will not be forgotten. Wishing you peace and comfort during this difficult time and I will miss you Ms. Mary!! love you 🥰

“ I praise God for Mary. She was a unique sister, who often took on roles as mother and teacher especially after she accepted the Lord as Savoir. Serving the Lord and sharing His Word was her greatest joy, oh and pretending she was a dog whisper. (I think she may have loved animals more than people). Anyone who knew her can attest to that. She will be greatly missed. I will miss her and her antics

“*Mary E Riddick is my sister and beautiful woman of God I remember always watching her navigate her way through life she love to cook and partake in fine cruising. When she gave her life to God and made Jesus her personal savior is was not a moment that could not fine her studying the Bible or on her knees in prayer. She was call to minister and God always fascinating interpretations of the Bible and the way relay the message was beautiful and eye-opening when you walked out of the church you knew God had spoken to you and had reach out and touch your soul. I remember Mary and my mother and other saints walking through out the neighborhood preaching the word of God. When we were younger I and my two brothers John and James would alway jump on her and pretend to beat her up because she always had something to say. She loved her big long cars. The electric 225 or Cadillac she loved her big cars and I and my brothers would call her big time. I will miss you sister.*”

“*One of my fond memories of Pastor Mary Riddick was when we were young saints at Mt. Calvary. Sis. Connie Banister was our director. God would always give her the exact songs that a soloist should sing and the choir. Every time Mary led a song, she wouldn't finish it. The Holy Ghost would hit her and off she went running down the aisle praising God. Then we would all start shouting. It was wonderful.*
Minister Paul and I send our condolences and love to the family and are praying for you.”

“ From the Kuria's family, Harrison and Grace Kuria we wish to share our condolences and prayer to Evangelist Mary Riddick's family. We remember the warm fellowship we had with Evangelist Mary and the seasoned preaching of the word of God she shared in the church. We know is has gone to glory because absence from the body is to be present with the Lord.
