Mary Virginia Tyson

Mama,

Do you remember?.

- The stories you told us about growing up in Washington, VA?
- Your parents Deacon William H. and Susie E. Roberts and the family fun you had with your five siblings?
- Joining Mt. Salem Baptist Church, at an early age, and being baptized in that cold creek?
- Coming to Washington, DC as a teenager and going to Armstrong Manual Training School to study dressmaking?
- Joining Shiloh Baptist Church in September, 1929?
- Marrying Odell Tyson in 1934 and having four wonderful children?
- Working in your garden early in the morning? You always said that was the best time to commune with God.
- Whenever there were chores to be done, Eric would hide in a neighbor's yard and Robert would complain about pains in his legs?
- How we fervently prayed for Eric when he was in Viet Nam?
- All of the large family dinners and how you always had a cookout for your Helping Hand Circle?
- How lovingly and tenderly Diana Moye took care of you and how you made

Diana a member of your family?

Mama, you have left us with so many precious memories. You have left a family warmed by your love, three children: Arlene McEachnie, Robert Tyson Joyce, and Eric Tyson; a daughter-in-law, Catherine Watkins; five grandchildren: Gregory Tyson Arlene, Derrick Tyson Nicole, Rodney Tyson, Eric Davis Paulette and Frederick Plummer; two great-grandchildren: Gregory Tyson, Jr. Megan and Ebony Tyson; one great-great-grandchild, Andre Tyson; surrogate daughters, Julia Manns, Carole Shelton, Zelma Coleman and Diana Moye and other relatives and friends.

Now, Mama, you can behold Him face to face and you will forever live in the light of His radiance.

Contributions may be sent to the Community Hospice of Washington, 3720 Upton St., N.W., Washington, DC 20016.

IT'S IN GOD'S HANDS

Those we love are never lost to us-we feel them in so many special ways through friends they always cared about and dreams they left behind, in beauty that they added to our days..in words of wisdom we still carry with us and memories that never will be gone. Those we love are never really lost to us, for everywhere their special love lives on.
