“ *Gail. I would love to be there for the services of my Brother. As you may or may not know my husband is sick, I can't make the trip. But we will be there in spirit. May God Bless and keep you and your's in his hands to bring comfort and peace to you all.*

God Bless

“ I can remember when Mom took us to the park, there were lots of rides so he decided to ride the roller coaster by himself. He must have been 7 or 8 years of age, all I can say he was not the same when he got off. The look on his face was a true Hallmark moment.
