“ To the family,

You dont'know me but,I feel I must leave a message. Just wanted to say how sorry I am to hear of your lost. Maurice seemed like such a nice young man full of promise. I have 5 sons and I worry so much about our young black men today and their safety. My condolences to you and your family##imported-begin##Sylvia Spencer Covington##imported-end##

“ *I would like to send my condolences to the Powell-Muse Family. Moe was a good man and I looked up to him. He showed me a lot on the football field and in life period! He helped me when I was down. We also had a good time on the wrestling mat. Because it was our first year wrestling, we had to put alot of effort into it and he definitely did! He was a helpful person even among his peers and a great role model for kids! Thank you for bringing such a wonderful young man into this world.I pray your daughters and the rest of your family will pick up where he left off -- I will definitely try my best! May God comfort you all.##imported-begin##James Sullivan##imported-end##*

“ To the Family of "MOE POWELL", just want to let you know that you are in my prayers. Moe was a good young man and talented as well. We had many good memories. Whether it was play fights, playing football, or wrestling we had good times. I really looked up to Moe. He was a great influence in me training as hard as I could to become the best football player I could be. Moe was a leader on the team and for me was the most influential because we played the same position and I was striving to be the best. I wanted to be as good if not better than Moe and he pushed all the time whether by things he said or did. 12th grade I was finally able to be as a starting middle linebacker. I enjoyed playing and learning plenty more from Moe. 10th grade wrestling against and watching him wrestle was amazing, he was a natural; he went into the county tournament unknown and went undefeated on the first day. When I saw that it pushed me even more to do my best to become a champion wrestler. At that time I couldn't beat him often, but I still pushed myself every match. He was a great competitor when it came to almost any sport; he was a natural born athlete. Moe Powell was born a star, but he didn't get his chance to shine. He was a Great Man and will NEVER be forgotten. MOE POWELL!!!
