“ Please continue to pray for my brother and myself during these difficult times. The Lord is so good and is keeping us. Please know my mother was a blessed daughter of the Lord, devoted daughter, cherished mother, and vivacious spirit. Praise the Lord for my mom.

“ I'm extremely saddened to learn you are no longer with us but I'm absolutely grateful God placed you in my path. I will miss the days you would come to your appointments and we would bump fist and dance in the lobby. We had good laughs and you would light up the room with your energy. I know you have your wings now and you will be dancing day & night on the streets of gold. I know the memories created with family and friends is only a band aid over their hearts, the pain won't be easy but it gets better with time. May the joy you instilled in you continues to overflow in others. ❤️ Tracy O.

“ *Mrs Spence is a very wise and wonderful person. I knew her as a teenager growing up on Eastern Avenue in Washington DC. We had a little crew of neighborhood girls who were all good friends and spent time visiting with Wanda and WAD at their home. She’s one of the mothers from our youth who we loved. She was one of those great people in our neighborhood who was helping to raise kids all of us in our community / village! I will always remember her and miss her. Glad I was able to visit and see her .Great memories! Rest in Paradise. Peace to the family. Ann Hassell - Valentine*

“*To my dearest Brother William and Sisters Wanda and Kenya: My love and condolences during this period of transition of "Ma Spence", which your mom was so affectionately known by. My prayers for your comfort and peace from ABBA Father, through Holy Spirit in the name of the Lord Jesus. Ma Spence will continue to be remembered for her beautiful smile and warm, welcoming embrace; and for her expressions of Christ like love and encouragement. Ma Spence truly embraced the culture of the Kingdom of God in her daily living and was not ashamed of this good news of the gospel. 2Tim 4:7,8 - she fought a good fight, she finished her course, and kept the faith...a crown of righteousness is awaiting her in glory. Much love, Sister Ida*

“ I will always remember Ma Spence. Her gentle and kind ways, her quiet wisdom, and her love. I will also remember how much she loved Harvest Life youth. She was always eager and excited to support the Youth Ministry in everything. She even joined us on our various field trips including the catacombs, Washington Cathedral, and our DC tour of museums and historical sites. She was for it all! I love you Ma Spence and will miss you! I'm so grateful I had the privilege to know and be loved by you.❤️

Please continue to pray for me and my brother. We are coming up on my mom's transition on May 27th, 2025. Once year and the grief continues. But the Lord is keeping me and holding my hands throughout this new journey. We all have to go through these stages of life but God all things are possible.
