“ *To the Farrell and Catlett families. Giving you our heartfelt condolences in your time of mourning. Mike is no longer suffering and that's a good thing but it still doesn't stop you from missing and loving him. What helps is to continue to remember all the good and loving things about him, which won't be hard to do because he's apart of you and will continue to be in your hearts forever. Again, our hearts go out to all of you and we'll continue to keep you up in prayer.*

Love,
