

## Michael Miller

January 12, 1962 - April 28, 2024

Michael Thomas Miller, born on January 12, 1962 in Munich Germany, was adopted and raised by Albert and Ethel Miller in Washington, DC. Michael, also known as Mike or 'Meter Mike' attended the DC Public school system where he graduated from Randall High School in 1980. Michael made a career at Pepco where he started as a Meter Reader and retired as a Collection Specialist in 2022, with over 30 years of service.

Michael married Constance Parker in 1987 and they had two sons Michael and Cordario.

Michael enjoyed fishing, playing music, spending summers with his brother Tim, watching the Redskins play, hanging with friends and most of all being on joke time. He made light out of every situation and always remained positive.

On April 28, 2024, after suffering an illness, Michael was called home with loved ones by his side. He leaves behind his son, Michael Parker, his grandchildren (Morgan, Cameron and Hassan)...his Brother, Tim Dodson, and his three Nephews, Lil Tim, Dominic, and Hugh...and also a host of other family and friends.
