“ *Condolences to family of Michael Tarrence. Losing a family member in the prime of life is very painful. The Creator intended life to be unending in a healthy, happy state. Such will be the case in the future. Death will be done away with. The Bible promises such in the last book, Chap 21:3,4. And a resurrection is promised at Acts 24:15. I hope these thoughts are comforting. Again, my deepest sympathies.##imported-begin##Lena Bey##imported-end##*

“ *My sympathy pours out for my friend Michael Tarrence's family. He was a very dear friend of mine. I have the best memories of us laughing together, crying together and having the best of times. He is forever etched in my memory and will forever remain in my heart. May God comfort and be with you.##imported-begin##Natasha Bolling##imported-end##*
