“ *I will miss Michael's laughter and how he made me smile. He was a wonderful friend and someone I could always depend on. He will always be in my heart and I will continue to love him always. My love goes out to Ebony and the girls whom he loved so much.*

I know that Ebony will continue to be strong in her moments of bereavement -- she has been endowed with her Dad's strength.

God bless you baby girl.

“ Dear Jones Family: I regret that I will be unable to visit with you or attend Michael's funeral on Wednesday. He spoke often of his grandchildren especially; he was very proud of them. Michael was a very dear friend to me. He was kind, gentle, and a good listener who offered me tremendous support and encouragement through some bad times. He always believed in me, and that meant a great deal. I will never forget him and I will miss him greatly, as will everyone whose life he touched. Please accept my sincere sympathies for your loss.
