*Ms. Carter,

*There is such a hole in my heart. I can't imagine not being able to talk with you ever again. I feel as if I am in a dream. But I know this is a walk we all have to take. I just didn't know for you it would be so soon. I thank God that a few days before you made your transition, I was able to tell you how much I Love you. Thank you so much for all your wisdom and all you done for me. You definitely was my "other mother" and I would always cherish you in my heart. You would always tell me that you always felt "so tired". But, I never knew just how tired. So, take your well deserved rest. I know God placed you in my life for a reason. I know that Sundays will never be the same again.
Love you Always and forever.*

To the Carter Family;

It sadden my heart to have learned of my dear friend Minnie's passing. I had sent several cards with notes with no reply. After having Covid and knee surgery I didn't visit much. I had called and left several messages for my friend. So I filled out another card and was going to mail it on last Saturday and I tried the number again and the call was answered and I was told she passed, I'm still in shock but I will forever be grateful to my years of being called Minnie's twin in the clinic. Family keep looking to hills and gain your daily strength. Minnie my dear friend take your well deserved rest.

“ Gone too soon and already missed...my Auntie was loved dearly. She was inspiring and a can-doer, going to college as a single parent in her 30s and becoming an RN. She was a no nonsense firecracker! I remember the night she chased a mugger y'all lol...She taught me to stand up for myself. Her last words to me...I love you more💔RIH
