“ I remember when I first met Momma Minnie she welcomed me with open arms a great big hug and a beautiful smile. She said...It's so nice to meet you. Any time I saw her or even spoke with her over the phone she say "hey baby how you doing".

She would always cook food and bake a cake and offer me some whenever I came to visit her. I'll forever cherish our times spent together the talks we had. The last time we spoke she told me how proud she was of me. She never would hang up the phone without saying "I love you baby"

Rest well Momma Minnie....👼 Love and miss you ❤️😭

My condolences to the entire Greer family praying God's comfort strength and peace during this time.🙏

“ I am deeply sorry for the loss of my Aunt Minnie, my mother's sister, and the entire Greer family. Auntie, you will truly be missed by all your loved ones. I will continue to hold on to all the memories and everything you taught me, especially how to fry the good old fried chicken and, most of all, your 7-up cakes. You enjoyed cooking for everyone, and we enjoyed your cooking.

I know your children are going to be alright because you raised and taught them so much about life and how to navigate through this period of grief and loss. It is going to be very difficult, but we know, and you know, they got this.

I love you, Auntie. That was the last thing you said to me before you left us. Your niece Glennis

“ To the Greer Family! I was saddened to hear about the news of Ms. Minnie. As her former neighbor she always greeted me with a smile when she saw me. I will always remember her asking me to come by and get some chili and cake. My sincere condolences to the family and my prayers are with all of you. Brenda Ables-Washington
