“ *Monique,
My heart is broken, I am in disbelief and still in shock that you have left us so early. I now have to find joy in the memories of our friendship, the birth of our children and the early birthday parties we shared together. To Travis and the rest of the family may you all find peace and healing during this difficult time. Please know each day will get easier with God’s love and the support of family and friends.*

Monique may you rest peacefully in the arms of our loving and merciful father.

*Love

“ Mo,

I am in utter disbelief. We spoke Thanksgiving! My memories of you go all the way back to Howard University College of Nursing.

We started working together at The Student Health Center where our friendship grew. We had some GOOD TIMES! Going on bus trips to see plays at Sight and Sound in PA, ALL the shopping, The Cheesecake Factory (your favorite), movies, brunches, and birthday celebrations (our birthdays are 6 days apart).

To Travis, Mo`s siblings and the rest of the family, my heartfelt condolences and prayers. May memories of Mo and the love she gave bring comfort to us all.

To my Pisces sister, my forever friend, rest in peace.

*Love,
Sondra*
