“ I realize the Carpenter family doesn't know me, but I served under Chief Carpenter at Langley AFB in Virginia back in the mid '80s. I was actually just now trying to locate the Chief and came across this. I am so sorry. A little story about how he looked out for me one Christmas back at Langley. I had missed out on getting my leave to come home to West Virginia that one particular Christmas. The Chief told me to just plan on going home for the Holiday. I told him I appreciated it very much but didn't want to make trouble with my direct supervisor. Chief Carpenter once again told me to plan on going home for Christmas, he said he'd take care of it. I've always remembered that and was always thankful to him. I'm very sorry for the family's loss, he was a great man. God bless you all.

Thank you so much. The family appreciate your condolences. I'm sorry I'm just seeing this, but I just wanted to say thanks on behalf of myself and my family. And yes he was one of a kind and we miss him dearly.
